

"Just Joy"

If we wish to come to the Spirit for the healing of our wounds, let us come in peace and with spontaneous JOY; and with a thankful heart.

Experience your self as JOY in action. Open your heart and expand your vision with laughter, music and prayer.

**A Weekend Retreat with *Karen Drucker and David Ault*
September 25 (Fri) – 27 (Sun), 2009**

Zephyr Point Presbyterian Conference Center, Lake Tahoe

You are invited to treat yourself to a weekend of music, play and self-discovery. Throughout this relaxed weekend, you will be renewed in Spirit by being with loving people and in the beauty of nature. We come together to sing, play, renew relationships and make new friends. Karen and David will coordinate and perform for our Saturday evening talent show. This year we will limit the number of spots available.

David Ault, founder of The Conscious Company; an organization dedicated to reminding you that wherever you are on your path, your value and gifts to this world have never diminished. I believe that through the power of choice, positive intention and a deepening for self-compassion, we can experience the shifts in our consciousness that bring about transformation. www.davidault.org

Karen Drucker: You know her heartfelt and joyful spirit through her music. Now meet this dynamic lady and share in the atmosphere of her gifts. Alan Cohen, Author/Speaker; "Bottom line: Karen Drucker rocks. As a long-time speaker and seminar leader, I have worked with many musicians. Karen shines far above the masses. She is talented, ultra-present and funny.
