Topics could include: self-care, taming our inner critic, feeling peace in the midst of chaos, the spiritual practice of clutter clearing, giving ourselves permission, gratitude, and others. Class size will be limited to 20 women.

Testimonials:

"Karen, you created a safe space for all of us to feel seen and heard. We all started off as strangers and now I consider each woman a close friend."

"This weekly class and these sweet supportive women saved me during this whole Covid experience. To be able to speak about all that I have been feeling was just what I needed... and the laughter sure helped too!"

"Who knew that we could sing (although muted!) dance, share from our hearts and bond so deeply on Zoom. Karen - your music and now these classes you facilitate are so much fun and so good for my soul!"
